This affiant, Investigator Brent David, has been in law enforcement since 1995. I am currently assigned to the Wake County Sheriff's Office "Person Crimes Unit". This unit investigates major crimes along with assaults, robbery and homicide. During the course of my employment as a law enforcement officer, I have been trained in these areas of investigation, death and suicide investigations, fire investigations, crime scene searches and arrest of criminals that are involved in such crimes.

On 11-03-06 the Wake County Sheriff's Office received information that a deceased body had been found by a family member at 5108 Birch Leaf Drive Raleigh, North Carolina in the Enchanted Oaks Subdivision. Officer's arriving on the scene discovered a deceased female on the floor of her master bedroom. The victim's sister came to the house to retrieve a document, which was on the printer, located next to the computer. The document had been printed from that computer the hours before the victim's death was discovered. The victim's husband contacted the victim's sister by telephone. The victim's husband asked the victim's sister to go to the home and collected those documents. The victim's sister went to the house. Once inside, she discovered the three-year-old child of the victim inside the residence. She also found her sister deceased inside the house. The sister then called the Sheriff's Office. There was no sign of forced entry. The computer listed above was seized pursuant to a search warrant executed on a 2004 Ford Explorer, VIN 1FM2U73K14UA4002. It was located in the Ford Explorer. The Ford Explorer is registered to Jason Young, the victim's husband. Jason Young had driven the vehicle from 5108 Birchleaf Drive, Raleigh to Virginia. He left on November 2nd, 2006. He returned to Raleigh
